To Whom It May Concern

My name is \_\_\_\_\_ and I am a citizen of \_\_\_\_\_ living in \_\_\_\_\_ .

I am greatly appalled and saddened by the recent violence in the Hangu, Dera Ismail Khan, Kurram Agency, and Parachinar areas of Pakistan, and I am writing to you today to request an immediate halt to the violence, and a restoration to peace in those areas. I believe it is vital that the government of Pakistan protect each of its citizens, and that the ongoing crisis must be resolved by the government without further delay.

It is the basic right of every individual to live in peace and harmony, and this right is being violated by the Taliban and Takfiri forces within Pakistan's own borders. I believe that the Pakistani government should show its dedication to fighting terrorism by first protecting its own innocent citizens from such terrible and brazen acts of violence. I further ask that all relevant Pakistani agencies take immediate action to bring the perpetrators of this violence to justice. It is deplorable that these individuals have been able to attack these individuals, in some cases torturing, murdering, and mutilating them.

I condemn all violence against all innocent peoples, and I am writing to your agency today because I believe that your department can be instrumental in resolving this situation. Pakistan must take the responsible action, and stop this violence immediately. Please do not disappoint the international community with further inaction - you must protect your citizens!

Sincerely,
